Local Government Commission decision on the proposal to transfer part of Clutha District (Lake Mahinerangi area) to Dunedin City

The Local Government Commission today announced its decision not to proceed with an elector-initiated proposal for the transfer of the area surrounding Lake Mahinerangi from Clutha District to Dunedin City.

The Commission considered that a reorganisation scheme based on the proposal or on modifications to the proposal suggested by submitters would not promote good local government of Clutha District or of Dunedin City.

Full details of the Commission's decision are contained in its determination, which is available at www.lgc.govt.nz
