

PETITION RE BOUNDARY CHANGE PROPOSAL –

The land within the whole of the Deep Stream, Lee Stream, and Waipori water catchment areas is petitioned to be transferred from the Clutha District Council to the Dunedin City Council.

Petition presented by Robert Reid 11th October 2007

Comments:

This area should be included in the Dunedin City, primarily for the following reasons

- **Virtually all services (Doctors, dentists, veterinarians, farm supplies and services, electricians, plumbers, mechanical and engineering etc) are Outram / Mosgiel / Dunedin based**
- **Children go to school at Lee Stream (DCC)**
- **Children go to Playcentre at Lee Stream Hall (DCC)**
- **Secondary schooling is generally either Mosgiel or Dunedin**
- **Mosgiel and Dunedin are the local shopping areas**
- **Mail delivery comes from Outram**
- **Virtually all telephones are in Dunedin free calling area**
- **Water all goes into the Taieri river system**
- **Library used by residents is Mosgiel / Dunedin and there is a charge for users outside the DCC**
- **Free newspapers are delivered from Mosgiel (Taieri Herald) and Dunedin (Star Midweek), and delivery of the Clutha Leader was refused to this area.**
