Representation arrangements for North Shore City

The Local Government Commission today issued its determination on the membership and representation arrangements for North Shore City for the 2007 local elections.

The Commission was required to make a determination after appeals were lodged against the proposal put forward by the City Council. The Commission's determination generally upholds the Council's proposal, with some small variations to the boundaries of wards. The determination provides for the following:

The Council will comprise a Mayor and 15 members elected from three wards as follows:

Northern Ward	5 members
Central Ward	5 members
Harbour Ward	5 members

These will continue to be the following six community boards:

Albany Community Board
East Coast Bays Community Board
Takapuna Community Board
Devonport Community Board
Glenfield Community Board
Birkenhead-Northcote Community Board

Each community board will comprise four elected members and two members of the Council.

A copy of the determination is available on the Commission's website at www.lgc.govt.nz
