### **Proposal for the establishment of a Community for the Otago Peninsula**

The Local Government Commission has received appeals against the decision of the Dunedin City Council to not establish a community for the Otago Peninsula.

The proposal was initiated by a petition of electors in the Otago Peninsula area. A map showing the area of the proposed Community is available from the Commission.

Under the Local Government Act 1974 the Commission is now required to determine whether or not the proposed Community should be constituted.

To assist its consideration of this matter, the Commission invites public submissions on the proposal. Written submissions should be forwarded to the Commission by 23 May 2001. Submissions can also be recorded on the Commission's website: [www.lgc.govt.nz](http://www.lgc.govt.nz).

Those making submissions are asked to provide a contact address and daytime telephone/fax number, and to state in their submission whether they would wish to appear before the Commission at any hearing held by it on the proposal.

Submitters should note that it is the policy of the Commission to make submissions publicly available on request.
