Commission allows more time for submissions on the review of the Otorohanga and Waitomo Districts

The Local Government Commission today extended the deadline for the receipt of submissions on the review of the Otorohanga and Waitomo Districts to 22 February 2002.

Commission Chief Executive, Donald Riezebos, advised that 71 submissions have so far been received on the review, and submissions are still flowing in.

“The Commission has received approaches from persons seeking more time to complete their submissions. As the Commission is keen to obtain the views of all interested persons and organisations on the review it has decided to extend the deadline to 22 February.”

The Commission has issued a Statement of Review, which sets out the matters that will be considered by the Commission. The Statement of Review can be obtained from the Commission (PO Box 5362, Wellington), the Commission’s website – www.lgc.govt.nz, or may be viewed at the principal offices of the Otorohanga and Waitomo District Councils.
