#### **Local Government Commission issues decision on proposal to alter the boundary between the Rodney District and the Kaipara District**

The Local Government Commission has issued its decision on the proposal, initiated by two residents of Rodney District, for an area of land in Rodney District to transfer to Kaipara District.

The Commission has determined that the proposal will not proceed, as it is not satisfied that the proposed boundary alteration would promote the good local government of either district.

The proposal had been referred to the Commission for a decision because a joint committee, made up of representatives of the Rodney and Kaipara District Councils, was unable to reach a decision on the proposal.

Full details of the Commission's decision are contained in its determination, which is available at [www.lgc.govt.nz](http://www.lgc.govt.nz)
